**Subject:** Samsung Smart 3D Blu Ray is in high standings

Good day JE,

As per your request, the Samsung 3D Blu rays are the latest hits on Samsung the market. I would have to do some research to know if your theater projector can handle the 3D format.

But here are 2 models for your review. :o:p>

1. </span>Samsung 3D Blu-ray Disc® Player BD-ES6000 - 3D Blu-ray disc player - Netflix, Pandora, Hulu Plus - Wi-Fi >
