located a car =n Troy NY (about 2.5 hours from NYC) with out the door price of =1,710.36  
i will try to negotiate further but best case =1,000  
i showed jojo link and he was please with =ar and features..

shall i proceed? in 2017 or 2018?  
if so in NES LLC or Jojo name?  
should Jojo contribute 6k via salary reduction? or =ass?

please =dvise  
thank you

The price would be \$31,710.36 with sales tax and fees. The only fee that is not included in that price is registration, I won't know how much that will be until we put your info into the dmv computer. It is typically around \$100 for a new 2 year reg.
