Jeffrey,

I spoke with Darren tonight and he brings up a point regarding the additional middle seat in fwd divan.

Gary told Darren the Toy store wants the final 25% payment before they=will release the helicopter, the approval for middle seat belt for fwd facing=20 divan most likely will not be received when interior is completed. If=20 the Toy store does this modification in a way that approval is not received= we would have paid in full for interior in order to put helicopter in service.=20

Do you want Darren to include verbiage for your protection? or other o=tion is delay acceptance until all approvals are obtained for your protection, G=ry indicated to Darren they will not release the helicopter if we hold the final 25 % payment to the Toy Store,

pls advise, no work will be completed until contract is signed and dep=sit is received at the Toy store,.

Darren, please correct me if I'm wrong in my statement?

thank you
Larry
