Subject: David's visiting NYC and would like to see you!

I'm coming to NYC June 24 and leaving July 3. I'd really enjoy seeing you if you are around. It's my first visit to NYC in quite a while.

My mobile is [REDACTED]

I'm concerned that your long-time NYC office phone, which Leslie answered not too long ago, has been yielding a busy signal only for the last few weeks. And your old NYC personal phone number does not take messages. Please let me know what I need to know to contact you, and any (new) guidelines for doing so.

My voice mail is secured with a nontrivial password, by the way.

Cheers,
David
