hey

Its been 2 weeks i am here in nyc and like i said in my previous email = am really focus and go to all the castings...

Now on the other hand today i didnt have any casting to go to and tomorrow same plus yesterday i went to 2 casting that was so so...so my poin= is you are the best in the business and i know you can really make th=ngs happen if u want to and i think i can keep up with the level so i would suggest that u send me to more casting with a higher level so my capacity and potential as well as yours are really used with efficiency..i would also like to meet all the big clients..

So obviously=you will tell me to be patient but lets face it we can do better than that=nbsp; together as a team no?

What do you think?

best
