Andres Serrano called me on my cell,  
He said he is in Havana at the Hotel National.  
He has photographed Alex Castro. Alex has sent a message to his father asking if Andre can photograph him. Alex suggested that Andres stay longer though.  
Andres is currently set to leave on Sunday. He could stay until the following Thursday.  
The problem is that he has run out of money and his cards don't work in Havana. He is wondering if you could help. He needs about \$ 5000-6000. in cash. He says he has someone staying at his apartment in New York. She could write you a check for this amount if we could exchange it for cash and she will pass the cash on to someone he knows who is arriving in Havana on Sunday.
