Jeffrey,
I have received an offer of $10,000 for two of the four verado engines. I have the Verados listed for $7,500 each at this time.
Brice tells me that two of the engines have cracked engine mounts so values are low.
I thought 6k each would be my low number, but this buyer is firm on 10k,.

Should I except 10k for two engines?

Pls advise
