**Subject:** May I ask Karyna to do something at 6.15?

As lons prices were quite high we would like to get a separate quote from Michael by himself. He is available at 6.15 pm to look at the apartments and would be able to start on Monday.

May I ask Karyna to show the apartments to him at 6.15? It would include the 2 office apartments. Is it ok that she goes inside these?

And it includes the one [REDACTED] is staying in. I think [REDACTED] is away but to be on the safe side I think we should skip that one and tell Michael it is similar in size and condition to one of the others.
