Bell 430 interior questions: color in photos appears accurate,.

See photo below of leather you selected compared t= existing head liner color: you had requested the aft and fwd bulk head to b= covered in leather, using same leather as seats,.is this OK?

This photo shows, carpet and wood and seat leather yo= selected, is this ok?

photo below shows the fwd facing seats, there is a sm=ll tan drawer under the credenza (about 4" tall), we are trying to keep the d=awer and shorten it, so it will not interfere with leg room and locate the Satilig=t Phone in this drawer, or would you prefer the SatPhone location in the fold=down arm rest? if possible?

This photo below shows the Aft facing seats, do you w=sh to have similar seat design to copy the Bentley seats? (meaning three individu=l seats like photo? or a design like GII seat at table? These aft facing seats are narrow, only 16", compared to the 18" in your =wd facing VIP seats,.

GII seat design, possible for aft facing seat design?
