Subject: Break in

Jeffrey,

Some one approached my house yesterday while Eileen was home, no cars where in the drive way, 3 men and a women in an old toyota where casing the street looking to break in and steal TV's etc, when he came to the Door, he was surprised when Eileen came to door, we have impact glass front doors, so you can see who is out front..he ran to his car and they sped away! Our street camera took a snap shot of the licence plate and police are on alert,. The car drove down our street again today for a second time,. Police said the car is registered in Stuart FL. I just purchased two Smith and Wesson .38 specials for my house, nice light gun for Eileen's use, (thought a revolver would be easier for her to load and operate), your thought?

Good sale, retail \$599 I purchased for \$359.00 Would like something like this for STT hanger, but un sure of legality of bringing to hanger,.

.crazy !

Thx

Larry
