Bell 430 interior questions: color in photos appears accurate.,

See photo below of leather you selected compar=d to existing head liner color: you had requested the aft and fwd bulk head =o be covered in leather, using same leather as seats,.is this OK?

This photo shows, carpet and wood and seat leathe= you selected, is this ok?

photo below shows the fwd facing seats, there is = small tan drawer under the credenza (about 4" tall), we are trying to ke= =p the drawer and shorten it, so it will not interfere with leg room and locate the Satelight Phone in this drawer, or would you prefer the SatP=one location in the fold down arm rest? if possible?

This photo below shows the Aft facing seats, do y=u wish to have similar seat design to copy the Bentley seats? (meaning three=20 individual seats like photo? or a design like GII seat at table? The=e aft facing seats are narrow, only 16", compared to the 18" =n your fwd facing VIP seats.,

GII seat design, possible for aft facing seat=20 design?
