Jeffrey,

I see no mention of VIP Electric cart on Brice's car list, th= Gem car's rack and Pinion steering was not geared properly in my opinio=, it required to many turns of the steering wheel to make a simple turn, should I keep looking for other electric choices? the other choice for utility electric cart would be the Polaris Ranger EV for=20 quite operation around main house.

I spoke with Rich today, I agree, seams like a lot of 4x4 bikes, including the 850 Polaris on the island already for your use.

Vehicle	Qty	Estimated Cost	
JE Personal	850 Polaris	Kawasaki 750 EPS	\$ 17,100.00
Engineering	Pro Gator	Kawasaki 650 4wd ATV	1 \$ 54,000.00
	2	\$ 21,810.00	
Maintenance	2	\$ 22,000.00	
Housekeeping	1	\$ 11,000.00	
Marine	Kawasaki Mule 4x4	1 \$ 7,230.00	
		\$ 173,387.96	

This does not include the 3=20 Black 750 Kawaskis already on island they will be allocated to  
Also <=td>
