Ok  
Will get danny on dimmers in the morning.=/div> Also we are going to punch out the building tomorrow.

Fire Pit;  
I just went up and started it;

- \* gas flames look O=
- \* Puts off good heat
  
- \* controls a=e difficult to use to get pilot light going
- \* Remote con=rol works OK after pilot is lit
- \* Can show you how to us=
- \* If it is OK I will have Brian run the permanent gas l=ne and build box to hold tank

Conclusion; like the gas= do not like that unit. Suggest we look for a better one with controls that=work better.

We have grate for wood burning operation; It i= pretty windy up there and embers will fly. If we want to use real logs we p=obably need to make a custom mesh cover.  
Aaran has wood coming.
