I think it might be best for you to reach out directly.

Josh, would you...or should I, call Karen to set a meeting?

I think the only way to settle his "blind billing" is to try=to get her in a room with the contract and all the bills and go over every=hing.

She had offered to sit down with me to explain all the billing, and I =hink, since no one has a clear picture of her work ethics, this would be a=solution.

It has never been an issue about paying her for the work. The issue is=to clarity in billing and percentages of commissions.

Can anyone chime in as to how we might accomplish this asap.

Thank you in advance for any help.

Peggy
