No! That is my mother. She is about to get a= operation on her leg. She is definitely not with lingerie, just with the h=spital gown. That scene is about being caught by the doctor with wine, pist=chos (both mother and daughter drinking) and Gaelle a white mask on while o= hospital (thinking nurses shifts where finished, which they were btw!). Th= doctor stays to take the mother's pressure etc while she doesn♦=99t know what to do with the glass wine and Gaelle doesn't know how=to talk seriously with her mask I.

What would you change about Felipe? It has to be=a man that attracts women. Miguel just a friend, not really important for t=e plot, could change him easily. Juan can't change much about him (=e is real but can't talk much about him since my ex).

Wha= about Olivia?

Gaelle?
