Dear Peggy

Please check carefully =gain the offer below, and tell me which connection you will =o.

There is no ferry from Mykonos to Patmos. We can =ffer a Mykonos based Robinson R44 (3 seats / 1 pilot) to fly you =ykonos-Patmos, flight time 35mins, Rate: EUR 1800 (~ USD =256)

On 4th =ugust, there is early morning flying dolphin from Samos to Patmos (1 =our duration) but departs at 0800am LOCAL

And also from Kos 11:05 =r 14:30, but there is no business class, only economy and trip takes =,5 hours!

We can issue any tickets =or you, as we operate our own travel agency, but first you have to =inalize plans and decide how you proceed.

Dalaman-Samos needs to =e at 0600am LOCAL in the morning, to have chance to catch the 0800am =lying dolphin

Or we operate Dalaman Kos and you pick the boat =rom Kos

I look forward to your =eply how we proceed

Miltos

Dear =eggy

We have carefully looked into your request, and =ave the pleasure to suggest as follows:

Route/Schedule:

04Aug12 Dalaman-Samos ETD tba

Aircraft =type

Seating

Category

Year of Make

Flight Time

Rate (all =ncl)

King Air =200

7 passengers/ 2 =ilots

Twin =urboprop

1994, =ef.2007

0:45

EUR ='600

Citation Bravo

7 passengers/ 2 =ilots

Light business =et

2006

0:30

EUR ='800

King Air =200

Citation =ravo

=/o:p>

Regarding the boat connections, our Travel Department =as researched the connections, and there is only on Flying Dolphin on 4 =ugust as follows:

Samos - =atmos

Cost: EUR 25 per person plus delivery =ee

If this is the case we would need to schedule the =rivate flight at 0600am from Dalaman, so as to arrive in Samos in time =or the Flying Dolphin

If this is too =early, we have also checked and list below for you, the boat connections =from Kos to Patmos. I assume the private aircraft for Kos to Dalaman =ill be similar. However if you see below, the trip duration for the =boat is much longer (2h 20mins or 2h 35mins) in comparison to =amos-Patmos which is only 1 hour.

Kos – =atmos

Cost:

Pride =odekanisos – EUR 29 per person plus delivery fee

Erato – EUR 29 per person plus delivery =ee

As regards to private boat charter, there is an =option to take a private speedboat, which costs EUR 1500 and takes 1h =0mins (depending on weather conditions)

Kindly review our proposals and advise at your earliest convenience on how you wish to proceed.

Best regards
