**Subject:** Re:

Will research best Great Danes,  
-short life span, many have Hip displasior since they are large boned,. Good protection, loyal.

-have you seen Japanese Akita's (I bred them when I lived in ohio) very loyal, great attack/protection, don't get along with other dogs however. 100lbs + Males.

-african Lion dog, Rodedion ridge back, good short hair, non-shedding breed.

Just other thoughts.,

Thx

Larry
