**Subject:** New account

Jeffrey:  Allison Bauman looks after paying my bills and works for Bryan Bantry.  Her husband was kind enough to open the Morgan Stanley account and will let us know the minute the money appears.

From me:
Should she just keep the info and account number until I return to NYC on Aug. 13...or send it on ████████████████

From Allison Bauman:
The account is open. I will get the account number and other info you need.  He will let us know the minute the check clears.
How do you want the account information since I know you aren't comfortable having that information via email.

Jeffrey: please advise..peg
