reminder the last=time you wanted me to expalin to barry , brad tom joslin , e and y p=ul weiss re the apollo co audit delinquency. it took two weeks ,mul=itude of confernce calls emails -letters , -each time. can ^L=;t be done. please explain to . him her them . sorry no technical a=thority, impossible etc. sample letters edited and re- e=ited by the mulititude, speculation on what really was i=volved. long discussions on actions and their various consequences=C2◆ , irs sections. potential violations, fines risks. =, level of approach. I like yesteday refused to co=tinue the clown circus , and within one hour it was done , dol=ar risk determined . and case closed.
