No, our statements do not include contracts/wor= provided by 318 technology. They were paid directly by you.

They gave us a wiring plan and provided the wire/materials we n=eeded to have our electrician install the wiring according to the plan.&nbs=; When we are in the final phase, they will provide the switches for us to=install. They are also providing the materials & programming for=the Lutron Radio RA System and motorized shades. They do not =rovide electrical wiring work. They have been to the site periodica=ly to ensure that the wire installation work meets their expectation.

You can clarify this with Homero Perez.

Do your statements include the bills from 318 Techno=ogy?
