I had a conference call with deborah, agreed this morning we added max and deborah was pretty tough on him.=C2 finally, telling him there was no authority for him= asking detailed financial questions. he responded that his other trust partners agreed with him but conceded there was little legal authority. He has told harry they had the right to see =our financial life before doing anything. deborah pointed out that positioning harrys view was counter productivve and she was going to call harry herself to tell him that max position was not based on any legal trust grounds under mass law . i lit a fire under her mesh=ganher ass.
