I will call you in the morning. I am in Southampton. We had t=o events this weekend. Saturday and Sunday. The driver is coming at 10:00=m. I am packing. Can I call you at 10:10am? Nothing surprises me.

I do think there is a hugh difference to me personally between 1.1 mill=on and 1.6 million. Phil was going to ask for the 500,000 and settle for =alf...which did not thrill me. He says Gary's lawyers are ignoring him=and not acknowledging Gary is in trouble. They will have to deal in Sept =hen they approach us to wrap up the estate.

Remember my father's trust for Gary and me was 1.4 million and my m=ther left 300,000 in it...taking the money out illegally with out my broth=r's written approval.

This is what Phil has been saying all alo=g- Gary broke the law and would lose a court case... But we are not going =o court...not worth it.

Last Thursday, Aug. 9th Bryan called me from NYC. I was sitting in the =ondon airport and he was screaming at me over the phone. I said I am sitt=ng in the London airport and can not talk. He said, "I know exactly =here you are. I put you there.". He ranted on that I am hated by ever=one and contribute nothing to the business and Darin brings in all the spo=sorship...and handles 90% of the business. He told me I was as bad as his=nasty lazy ex-boyfriend who is suing him for his share of the Hampton hous=. I was shaking when I hung up and did not know where that tirade came fro=...must have been after Glenn Davis went to visit his book keeper.

Byran runs his life from an apartment and never interfaces in person wi=h people. He relies on voices on the phone telling him what's going o=. He is now flying from Manila to Dubai and back for air miles to "=ive out" to everyone....I think that is his rationalization for steal=ng...by "taking care" of everyone's air travel. So creepy.

Have some ideas. Peg

there will be=much more.. bryan does run the busiess, however you have not rec=ived your proper share, I am not sure how you want to deal with this=A0 .
