I will require a resolution of this max / harry issue by the=end of the week. both harry and max should be aware that I have seen q=ite enough to file an action to accomplish Noams ultimate goal . = I find maxs statements that noam expenses after valeria went up, often repeated but not verified. as well as hi= no judicial authority for denying Noam tax payments as a result of harrys i=fluence. thx for all your help.

I think you might consider at some point going off line with max and suggesting if this is done by dec 10 noam and valeria are willing to indemnify and release him from the past...

too strange for my taste...each time he talks about the increase in noams expenses after valeria yet i have seen nothing that supports that view.
