Subject: Roads

Jules has been working on the gym road with the hammer he has managed to hit=the main power supply to 5 Palms beach office, gym The lines have not been damaged but power will need to turned off to these a=eas to reinstall into the ground Given that it is only a few inches in the ground, we would like to repair an= reinstall it deeper Would like to complete the hammer work for the gym road, hammer work at palm= road road them remove hammer, attach bucket then complete both roads Please note it takes a good 2 hours to remove and install pieces Bottom line gym road will be mess at least until Sat PM This would be the quickest and most efficient way to have both roads useable=20 Please advise K
