Subject: Karyna's flight

Hi [REDACTED] and Lesley,

Karyna's flight has been delayed resulting in her having a long wait at the airport. I want to check whether Amex or the airline sent you any notifications as I did not book the flight. I know when I book myself through Orbitz I always get notifications but it doesn't seem to happen through Amex.

I should have monitored the flight from this morning instead of from later in the afternoon when she was already there. Mistake on my part.
