I'm in the lounge at Tosca. There have been some political developments that I am sorely in need of my old Epstein-smart advice.. I see and hear so much more than FC, but it affects me as well. If I could get away in the day, is there a possibility to see you alone to help me strategize before you leave? I'm thinking maybe I could just drive there or maybe Brice could pick me up and return me..do you have any free time, or could you meet me in town?
