Karen - I just sa= your email, we're not looking to not pay you. Both Jeffrey and = have reviewed your contract. We both don't see were it is that =ou don't have to show vendor bills.

We want to move forward but need to know what the actual bills are? I=think this is a more than fair request. I've worked with other c=ntractors and I've never had this issue.

We've all invested a lot of time and energy on this project and just wa=t to move forward with getting it done.
