Jeffrey,

-I had to fedex DPU EFIS unit I installed in Gulfstream during our Pal=bch visit, completed today.

-Helicopter is at paint shop as of yesterday, I removed the passenger=20 windows myself and fedex to Dallas for repair, the windows should=be back Saturday, will know tomorrow on exact date.

-Paint work should be completed Friday, I will fly the heli to Toy sto=e for leather seat wrinkle repair, headrest removal,.(unsure of arm rest welding or modification if that will be able to happen this week, Toy =tore is in final stages of BBJ interior completion, they only have 9 worker= total. I'd like your permission to delay arm rest repair, and get the heli =n service, the divan needs to be removed and it takes 3 hours to remove and s=me to install. it needs welding and reinforcement to make sturdy, the opening =ou notice is from factory due to credenza install that came with the orig=nal interior on the 430. I'd like to investigate the BMW arm rest and Linc=ln arm rest to address when I have more time.

-if all goes well, i'd depart palm beach in Heli on Monday weather permitting, current weather is PERFECT to St Thomas,

-Dogs, no news yet,

-Boat, I need to get r/h engine working properly, buyer wants to close=this weekend, just don't have time to get everything done,. I plan to addre=s the boat engine tonight at 6pm., new fuel and clean fuel filter.,

-equipment purchase is on my TO DUE list for tomorrow,

-currently trying to locate throttle cable for your polaris, don't kno= who ordered, but only polaris shop is located in Lauderdale, west palm dea=er you visited does not sell Polaris, only their lauderdale location handles=20 parts.

thx,  
Larry
