Larry,

I hope you had a great thanksgiving!

I am trying to get a schedule together for the 550 to=see what we can accomplish around our current work load.

When do you anticipate the aircraft getting released from gulfstream and what is the preferred timeline for the additional I=J.I. portion?

I also want to get a list from you on all the items Jffrey is expecting to have worked so we can all be on the same page.</=:p>

Thank you!
