to make money in the long term you will have to be trained in a school. it will take 2- 3 years. i know of no short cut. . I will pay for school=of course. you have resited seeing what is obvious . and i only want what is good for you. you have mov=d the goalposts each time when [REDACTED] does not deliver. telling =im if you dont by such and such date. , and he doesnt th=re are no consequences.
