Dea= Jeffrey,

I just w=nt through my messages from yesterday and see I missed John's extremel= grateful and excited message that you helped him get out next print=run--and he also shared your incredibly nice message about me. =/div>

I can't thank you en=ugh, Jeffrey, for supporting, this magazine I really do love and bel=eve in--and which hope survives so I can have a series in it. Once t=e TV show is locked (in Feb for airing in April!) and if I get a few=other projects done, I'll begin running content on poetry and environm=nt and poetry and medicine on Nautilus. If I screw up my courage, I have a=physicist eager to film with me too. Tutorial?

My update coming soon.

Love,  
Lisa
