Dear Jeffrey,

Hope you are great! Not sure if you received my previous email with some talents that I was able to find..  
Next week I'm coming to NY for a few concerts. I will be coming together with my friend pianist Cesare. With him we will have our concert on Dec 7 and on 9 and 10 I have two other concerts with another pianist. I was wondering if you would have a free apartment (or two) for us to stay in for one week? I didn't want to bother you so I was trying to find some other accommodations but I'm still struggling in finding a place with a decent location... if I found something it was always out of Manhattan..

Anyways, I hope I get a chance to see you while in NY (would love to bring you some homemade bread!). Hope you're having fun and looking forward to hearing from you!

Kisses,
