Jeannine in Pritzker's office has made ████ reservations at the =yatt Kiev for Oct. 8-11. Once she receives the confirm I will forward. =Price is $410 Euros per a night (the hotel is almost sold out so it was =he best she could do)

Jeannine has also confirmed that she upgraded Jean Luc's room from a =win room to a king deluxe room (best she could do given the hotels =ccupancy).

Jeannine called to let me know she has made these reservations for us =nd is happy to do it, but was told by Mr. Pritzker from now on she can =nly help us out when the room is actually for you personally....this is =ecause booking rooms for colleagues/employees/friends can get out of =and. They will always, always be happy to accommodate and help you =ith a room whenever you need.
