Greetings Rich,

1. LSJ just purchas=d this lull in February 2012 - this is the third issue it has had in less =han 7 months - (1) tire issues and (2) engine shut down for no reason are =he previous issues;

2. The lull is the piece of equipment that is scheduled =o be used in the erection of the shed in December - the crane sale - previ=usly on hold for the shed project- is moving forward;

<=iv> 3. The only mechanic on staff on LSJ now is Sheridan Elizee - is his ski=l level up to this diagnosis and repair?

4. Ple=se feel free to advise me to mind my own business:) DW

FYI

The lull is down

Will work on finding some=ne to repair and parts order this week
