I'm told that erika received a letter from JP/.    I have asked her to request permission to continue to remove debris and bring relief supplies . the tension among=many of the staff who have no homes to return to , no power , water for their families but relying on my bringing them help is difficult to control. I worked closely with coast guard to be ex=ra careful not to have any issues. I would greatly appreciate =our thoughts and guidance. . i will ask for emergency permission to continue to help these people. john woods said =e is just getting up and running in order to join the more orderly permit =process. . I will not return to the VI for two or three m=re weeks. hope you and your family are well
