I was sick again this am, I hope it was isolated and maybe=from eating too much too soon last night.

Jeffrey I hav=nt heard anything from Andrew, wanted to give him a couple days after than=sgiving.
I think he wanted to do a background check on me =nd said something along the lines of the results of that will
determine wh=re he can send me to. that was my understanding of it and i think I unders=ood. He seemed extremely
cautious and wants me to make up a story for the =ears before school.

I have an interview at the Wh=tney tonight.

the internship has not yielded resu=ts. the guy is bankrupt, programs on the computers not legal, and took me =nto a
pub at 4pm in New Jersey to drink beer (I had water) before a site v=sit.

I went on another date last week with =ne of our neighbours, Ben , he is very sweet
