He and I talked quite a bit last night including explaining that Melinda had just been in Africa with Kofi.

She really liked Kofi a lot.

A few photos from my week in Tanzania. I was there b/c of the Agriculture work the foundation does.<=;p>

Traveling with Kofi Annan=was neat. He is just so truly humble. The older man sitting under the tree=said to him... "I know who you are!" he then said "Y=u are an old man like me!" Kofi loved it.

The farmers are Joyce and=Elijah. They were raising their own 3 kids and 4 kids of his brother'=s b/c the brother died of AIDS. B/c of improved seeds, they are growing enough food to sell some of it on the market, despite the drought =nd are putting the kids all through school. Elijah and I are pulling up ca=sava (a staple crop in Africa) from the ground. He is actually doing all t=e work
