Hi Rich,

As a followup to our phone call earlier this week, I have orga=ized my notes from the call into a document, attached here. I have t=ied to capture the essence of what each person said, though not the exact =ords used. I organized the statements by topic rather than by the or=er in which they occurred in the call.

Would you =lease look over the document and tell me if it seems accurate and fair?♦=A0 We don't need to make any judgment about the truth of each statement -- they should just reflect the conversation we had. If there's=anything you'd like to change or add, let me know and I'll send an=updated version. Once we have a record we all agree on, we can use it= as a reference point for our further discussions.

Thanks,  
Harry
