Hi Jeffrey,

Below is what I have done since my last update.
I have a file of printed articles that I will give you when I see =ou.
Let me know if you want to do a 2 month test with Reputation Chang=r.

I am also putting together a proposal for you: to not focus on your im=ge but on a leaving a legacy-- that is, picking a subject that you would=like to solve and accomplishing it. i.e. in the field of cancer. There'=s no reason why this couldn't be done.

- * set up your USVI website: 8 pages of content, site map etc.
 - * fully optimized the website for search engines.
 - * published 6 articles, 2 remaining going out this week.
 - * optimized articles with BusinessWire
 - * set up call with Repuation Changer
 - * continued to post forum concepts onto science discussion sites.
