**Subject:** Barbro re Stockholm on Sat. Dec. 1st

Barbro says Sat. Dec. 1st is fine for Stockholm...she is asking what do you want to do when you come? did you want a BBB brunch? Did you want to meet with Scientists (which would be difficult she says for a Sat.) did you want to stay over the night? She strongly suggests staying over either Friday or Sat. so you have a home base. She just doesn't know exactly what it is you want to do....she does want you to know it is very dark & cold this time of year there...
