Johnny: how should we go about getting in to see joan schiller. Who knows, maybe they have an experimental program. I know there is now an oral chemo available, etc. Let=me know asap if I should push some buttons to get an appt.

Hey, we are in this deal together-all of us. Dr Jonathan dowell is also = heavyweight. We can try to see him, if Schiller doesn't pan out. J=st let me know.

One last thing, costs: don't let that stop you from doing anything o= seeing anyone. As I said, we all agreed, we are fighting this together an= we are with you all the way. I speak for all of us. Hope your day g=es well, call me to discuss getting in to see either doctor. I might be ab=e to help.

Your dumb email tag line "keep on pushing" now really means somet=ing! Hah! TK

Thank you, Thank you, Thank you!

Interestingly enough, my oncologist recommended Dr. Joan Schiller at UTSW b=fore any other outside input was given, so we're in track.

I realize, that at this point, the only thing that will help me is a fla= out miracle.... So let's go for it!!

Terry, I appreciate your concern, friendship, and support for Linda, me= and Frog. We're getting started on a rough ride, and I'll do w=at I have to do..... Short of letting them turn me into a skin and bone zo=bie after all the mad scientist crap I'm about to experience.

Thank you, Thank you, Thank you!

I LOVE YA JOHNNY

Keep on Pushin'
