Noam and I decided to replace Deborah by a lawyer here who=works both in Arizona and Boston and who was highly recommended by close f=iends in the legal area. We also will want to move all investments a=d accounts to Arizona with the same recommendations.

<=iv>The point is for all the money we have paid Deborah, we haven't rec=ived any drafts for the estate planning yet. If you are waiti=g for some answers from Deborah, please let us know what we should ask for=

If you would like to talk to us by phone, you ca= call us at anytime.
