Subject: Advice please

I would highly appreciate your advice on this! What is more important ? Care=r or love? I already postponed love for few months because you know me very=well, I'm way to independent (even though I'm starving at the end of the d=y)!

[REDACTED] hired this new CEO that at the moment I'm assisting within AllSa=ns company, [REDACTED] which is someone I'm really looking up to, and admi=ing his career development so far. As the company is in a very sensitive si=uation, salary increase is not in their radar,so somehow 'employee exploita=ion' is a common commodity I believe that with my skills can 'earn' a bit m=re than £1200 a month. I've been with no financial support since I joi=ed working for this company, and I'm very happy happy with the work experie=ce I'm earning
