Had good conversation with the universi=y attorney about the request for accounts. Happily the attorney agreed the r=quest was bullshit and that the reporter was trying to establish some inapp=oprotein connection with you and both Amelia and her not only agreed there w=s none but in fact the next layer of detail they will provide the prick is j=st fragile of our overall budget etc. :).

Anyway h=ading back from Mexico now. Lovely time with Noam and Valeria. Had to help t=em with invoicing. They are like lost puppies. ☺
