Subject: Now I Know... V Star

Good Morning Mom,

Thanks for your interest in the NOW I KNOW .. books for kids!

Ideally, I think the way to handle this is to find a Publisher for the Far East or Thailand and then link to the V Star Day celebration with children, our publications could be arranged to come out for V Star kids every year during the time of the gathering, and we'll create a program that allows chocolate sauce books to FEED the World, each child the opportunity to extend the good deed aspect of the V Star and empower the kids to give back in a positive way. Each child must share the stories with three of their friends and when they each buy the books we donate one to another child in need of stories that nourish for example, this way once it gets off the ground, I think the project can become sustainable and the books will pay for themselves.

I look forward to seeing you before I leave, and we can come up with a game plan!

Warmest wishes,
