Back f=om Mexico, and there's some business I'd like to take care of.

I would like to arrange for Max to step down as trustee of =he marital trusts. All that this requires is that each of you author=ze him to do so. I've explained some of the reasons. There=are others. In general, I want to make a clean break from what has b=en happening for the past few years. I would then like to appoint Ri=hard Kahn as Trustee. As you know, he is the financial advisor/accou=tant I have been working with, extremely competent and trustworthy.

I hope this can be done quickly and expeditiously.

In brief, I've worked hard all my life and have man=ged to set aside funds to ensure your security and the security of your ch=ldren -- the two houses, trusts, in substantial sums. Valeria and I =re very happy together. I think I now have the right to live the res= of my life in peace and tranquility, without constant financial concerns,=in fact like everyone else I know

Those who=remain. You have perhaps heard that my old friend Ed Herman died a f=w days ago.
