Harold the shipper sent an email that the desk would go out on the 23 rd of d=cember. I have tried to call him many times since the end of last week but h= has not responded to any of my voice messages. I also tried Frederick and I=ft a voice message. I sent Harold an email asking why we have to wait until=the 23 rd to ship but get no response from him. I will continue to try them=both tomorrow.

The date is crazy and they have repeatedly told me things that they have not=followed through with.
