Jeffrey thank you for the Bar review course. I will succeed!

We decided with Masha that the fund will not only help with PR but also help with legal to our portfolio companies thanks to my expertise. VC with 2 added values ☺ "Masha Corp."

I observe her fundraising having 7 flights a week across the globe. She is such a strong and ambitious woman. I learn impressively a lot from her and seeing her work so hard I really want to do my bestest best to help her make the dream come true.

Last night we met with one of your scientists, Gino, and found out that we have 26 friends in common with him :)

Be safe and healthy, and do not hesitate to ask for PAs or whatever you need..

hugs

Hi again Bella,

I just had a call with Barbri and customer service said that you need to login to my account, and then go to "My account" (right upper corner). Then select Pay (right down). And then pay the total balance due for LLM Extended course + books + shipment. Total is 3379 usd.

I attached screenshots. Let me know if it is clear.
