**Subject:** Just landed in NYC

On way to Al Pacino/Jessica Chastain screening of "Zero Dark Thirty".  
Sending Gary financial email in the morning. Sending it to you first.  
Had very successful trip. Worked like a dog. What else is new.

Had a long conversation with hip and gorgeous Marc Foster, the film director who does Bond films and rides a motorcycle around LA. He went out with Jessica Jaffe for a year. He said she is crazy. I told him about our conversations about trying to figure her out. He said she is beautiful but has too many problems.

Will call in the morning. Are you on the island. Peg Peggy Siegal Company Office [REDACTED] Mobil [REDACTED]
