I spoke with Heather, she is sending an email with finalized questions she needs answers shortly.

Here is what she texted earlier:

=div>Larry,

As it stands right now we're at 2/28 completion. However, we need to finalize scope. The outdated will extend by a day with each day that passes where scope is not finalized. Any major changes will affect the out date. I'm working on an email with outstanding items to address, will go out this afternoon.
